

# Pesticide Pete: The Game

## How To Play

1. Nasty ol pests will spawn on the edge of your cornfield
2. Protect your cornfield at all costs
3. Click on the pests to hit em with pesticides
4. The pesticides instantly kill them darn pests
5. Kill all the pests to win
6. If the pests overwhelm your cornfield, game over
7. The quicker you kill the pests, the higher your score!
8. The higher the score the better you did, yeehaw!
9. Press the restart button to play again and again and again!
10. Never stop playing Pesticide Pete: The Game... or else.
